

# DISPENSER SHIELD®

PROTECTION FOR YOUR FUEL DISPENSER & YOUR WALLET.™

## Peel away damage & save thousands. No service calls. No glass repair.

### Key Benefits

- Fraction of the cost of glass replacement
- UV fading and cracking is reduced by 98%
- Peel & stick for easy self-installation.
- Reduce recurring vandalism over time
- Forecourt marketing is maximized with minimal maintenance.

Dispenser Shield® protective overlays prevent damages caused by:

✓ **SCRATCHES** ✓ **CARVING** ✓ **GRAFFITI** ✓ **ACID-ETCHING** ✓ **UV FADING**

Acting as a sacrificial barrier, each Dispenser Shield® is optically clear and hard-coated for superior scratch-resistance and long-lasting UV protection. Damages are quickly peeled away, leaving the underlying surface unharmed. Rather than spending hundreds or even thousands on equipment repair, the low-cost of Dispenser Shield® allows retailers to maximize profits at the pump and focus on investments that drive revenue and enhance their brand.

#### Reduce Maintenance Costs

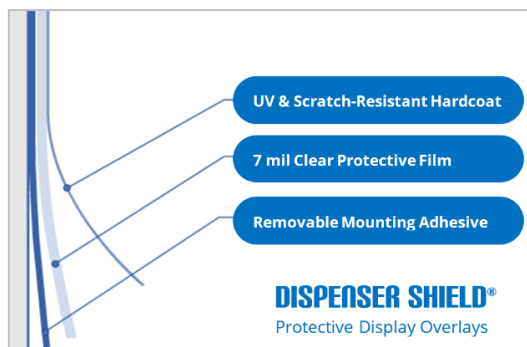

Easy application can be performed by on-site attendants in minutes.

#### Increase Pump Sales

Fast installation and minimal maintenance improves customer flow and accommodates more customers.

#### Enhance Forecourt Marketing

Give pump advertising a boost and keep customers engaged by protecting digital displays from distracting vandalism and UV damage. Easily maintain an attractive setting that encourages customer loyalty and fuels c-store profits.

Custom kits are available for any flat, non-porous surface.
